The bewitched forest devil in the *Juckelsbësch*

The forest devil is desperate. He has been living in the forest with a spell cast on him for so long now! The poor little devil can't run away. As soon as he is seen by a human being or even ventures to take a step outside the forest, he disintegrates into a tiny pile of coal and is scattered to the four winds... But why was the little forest devil punished this way?

Find out why and help Mia and Emil find the right name for the forest devil!

Actionbound

To do this, you'll need the *Actionbound app*. You can download the app for free. Scan the QR code with the app. You'll be taken directly to the riddle about the little forest devil.

Find the answer!

If you want to solve the riddle with the *Actionbound app*, take this sheet with you as you go! Along the way, you'll learn lots of interesting facts about the town of Mamer. At the 10 stations you must answer a question. **Write the letter that matches the correct answer on the line below.** When you get to the end, you'll be able to see the answer and type it into the *Actionbound app* to release the forest devil!
